Children's Aid and Family Services was founded in 1899 as a child protection and adoption agency, and is one of Northern New Jersey's leading nonprofit providers of human services and child welfare programs. While placing children for adoption continues to be a core commitment, the agency has evolved as the needs of the community have changed. One of the programs offered is **Baby Basics**, which provides free formula and diapers to low-income families with children aged 2 and under. The number of families helped with this program has increased from 157 in 2008 to 177 in 2009.
